He is risen! And so is the grass. But instead of complaining about needing to cut the grass, I need to be thankful that I have grass to cut. It's all about keeping things in the proper perspective.

Speaking of perspective, next week, Tonya and I will join the club of parents who remember their oldest child being born yesterday and now is about to graduate high school. As I'm sitting at my desk typing this, I'm looking at a picture from the night Tonya and I got married convinced that it was taken a few years ago and not the almost 21 years that it actually was.

While it doesn't seem like it, I was installed here at Bethany a few months over 2 years ago. In that time, I've heard countless stories about the now-sainted Pastor Studtmann (who was called to glory almost 24 years ago) told as if they happened last year. Same goes for memories of the great renovation and expansion of 1988 over 36 years ago.

When we're waiting, the minutes seem to drag on forever but looking back, the years just flew by. Time (along with everything else in our lives) changes, but one thing remains constant throughout it all. "Jesus Christ is the same yesterday and today and forever." (Hebrews 13:8). He was there at creation, is here right now, and will be with us for eternity. None of us know what the future holds, but we can live our lives in joyful hope and expectation knowing that the same God who is sustaining us right now will be waiting for us when days no longer exist. Christ has risen! And because of Him, so will we.

## Trustees Report

Mowing season has arrived. Our Zero turn mower seems to be working well so we will run it until it wears out. Thank you to our dedicated volunteers that keep the grounds looking great!

We have received insurance info RE: our roof. They have responded favorably but missed a vital component for replacing the roof. We are in contact to include that component and cover expenses. Awaiting their response. Roofer is poised to act on repairs with a response. More details to follow, as we are aware.

Our boiler has been shut down. Plans are it will now be decommissioned. Also, plans are in the works to install new units in the classrooms. More pieces to put in place to move forward.

With the addition of "Facility Improvement" portion of Bethany, One can donate to that fund to offer financial backing as time presents needs for our facility. We have the offer to match donations for that fund. Details to follow when we finalize that offer. All for now, Peace, Trustees

Fellowship would like to thank everyone who contributed to the success of our Wednesday evening dinners during Lent and our Easter Breakfast. This group includes those people who provided food, served the meals, washed dishes, set up and took down tables and chairs, and all who enjoyed the fellowship. Attendance at the five Wednesday dinners averaged between 40-60 people and Easter Breakfast was served to 80-90 people. Not only was the fellowship wonderful but we were able to raise funds for our church. A special thank you goes to those members who obtained Thrivent grants to offset expenses. Funds raised includes \$402 to the Youth Fund for convention expenses, \$130 to the ECC, and \$284 to the general fund for bills.

## Early Childhood Center

### DAYCARE UPDATE

By: Bethany Staff Reporters  
Wichita, Kansas

We caught Jim Merrick coming out of the exciting Management Team meeting Monday night and he paused to give us a quick update on the situation with our Early Childhood Center:

Merrick said that right now, it's a bad news / good news situation. Catching his breath from the fast-paced action of the Management meeting, he went on to elaborate: "So our financials for the ECC for the first quarter are in. We were in the red over the quarter that just ended (January through March.) Oh, the bills have been paid, but the church side of Bethany's operation had to carry the ECC side the last several months, and that situation has to turn around so that our Daycare can be fully self-supporting as we had planned, and so the congregation can pay for their share of the new roof AND cover all the regular bills. But wait -- there is good news."

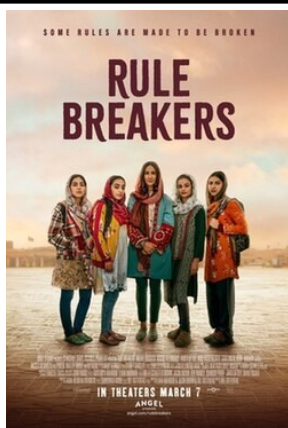

"As I said in my last 2 monthly updates, we have been working to make our financial situation better: We have raised tuition rates and we've implemented better overtime controls (mostly by Danita sending Teachers home every chance she gets). The increase in rates AND our INCREASED ENROLLMENT (we are up to 47 kids now, as of just this week) both combined to increase our income for April and will make for a slightly bigger increase in May. (Good news!) We won't know until next week's financial report just how that turned out --- how our income balanced against our expenses during April. My prayer is that we break even. With the 2 new kids we JUST got this week, May should be even better.", Merrick said, after gulping down some cold water. He went on: "You see, our budget was based on having 50 kiddos in Daycare. So, since we haven't had that many, our outgo has pretty much been on budget, but our income has been under budget. Not good, I know that. But now that our enrollment is slowly increasing --it was down around 40,42 several months ago, and it just now got up to 47-- we are closing in on that magic "50" number, which would symbolize "getting over the hump", if you will, budget-wise."

"And here's another thing," Merrick said. "We should start getting the food reimbursement from the State sometime soon. We have spent the last three months applying for, and basically being pre-approved for, the State program that gives money for food to Child Care centers...up to \$3,000 a week. That's kind of like free money -- it reimburses us for the expenses we already pay for to buy the food we feed our kids, and for the preparation and administration work of that food....it pays for our Staff labor hours that go to feeding the kids. So once we get that, it will be a financial shot in the arm. We thought we were done with the application and approval process several times, but we keep getting asked for some other kind of information documentation, and we have submitted everything they asked for. So, we are waiting in an interminable bureaucratic holding pattern to get this new source of income. If -- no, WHEN, this comes in, and combined with the healthier enrollment numbers, then we will be in a fairly groovy situation, financially. I know you may be tired of hearing about more delays that we cannot control concerning our daycare operation, but rest assured that we have been working to make all of this hard work and investment come together to bear fruit."

Taking a deep breath, Merrick looked our reporters in the eye and finished by saying: "We all know that our Child Care ministry is at the heart of our mission here at Bethany. It has been built to not only provide a much-needed service to our community, but to be THE outreach mission of Bethany. And we all know that any Church without outreach and service is a DEAD Church. By providing Christ-centered child care to the families we serve, by giving those kids what may be their very first exposure to the Word of God, or their first structured exposure to the Word of God, we are planting seeds that may well take root in those kids and their families, and beyond. We do not know what fruit these seeds may bear. Jesus told us the parable of the sower to inform us on what He wants us to do -- Jesus told us to spread His Word, and that Word will take root where His Holy Spirit wills it to. We may never know when or in whom the seeds we sow will sprout and grow and increase God's kingdom....our mission that Jesus commanded us is to sow those seeds. And that is what we are doing here with our Daycare."

(No by-line from me this time. That's it. That's the point that needs to be made.)

With that, Mr. Merrick pushed through the crowd of fawning admirers and hurried off, saying, "As if the workout from this thrilling Management meeting weren't enough to wear a body out, I need to go hike several miles with my Dogs and get them fed, and it's already getting dark. THANK YOU all for your constant support!"

## Bethany's Garden - Come Grow with Us!

April 22 was Earth Day. I celebrate Earth Day every day by working in the garden every day. The garden is off to a good start. It's an exciting time. Crops that thrive in cooler temperatures are looking better with the break in the 90 degrees and strong winds. I have had to cover the tomatoes when it's been too cold for them. They are a warm natured crops. Their optimum temperature is 75-85 degrees. Surprisingly the garden has recovered. The sunflowers are all over the garden from last year's seed. Irises are blooming.

There are 22 ballots and the votes have been counted. Green beans came in first place with 18 votes. I have 22 ballots. That means everyone but four people voted for green beans. Based on this information I will plant double what I planted last year. Most of the tomatoes are getting taller. Last year for the first time I had success growing the large slicers. This year I am growing tomatoes anywhere from a pound and larger. It won't be long before we will be enjoying those tomato sandwiches. There will be loads of cherry tomatoes too.

I'm having fun with adding color to the garden. More so than ever. Touches my heart and soul.

## Fly Fishing Club

Fly Fishing club went to Yates center on Wednesday, April 23. Weather was great and not many big fish but all six caught fish. Among the fish caught were Crappie, Bass and Blue Gill. Pictures are from that outing. Then on May 7th they will be fishing again but the location has not been decided. Any questions please talk with Doug Meyer, Robert Bolin or Dwan Welty.

# Lutheran Women in Mission

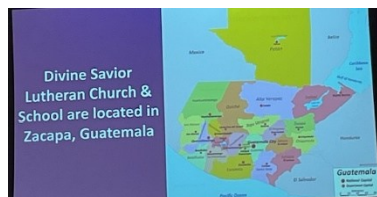

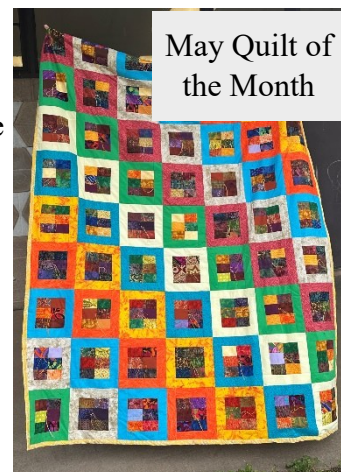

As we head into May, the grass is getting green and the flowers are beginning to bloom. Spring is here and new life is popping up all around us. We just celebrated Easter Sunday! Speaking of flowers blooming, it's once again time for the flowers to start appearing in the Sanctuary. If you wish to supply flowers on any given Sunday during the remainder of this year, all that is needed is to add your name to the flower calendar in the Narthex next to the mailboxes, and let Ruth Valdez (316) 213-0177 know if you wish to get your flowers on your own or have LWML get them for you. Thank you in advance for helping to beautify the Sanctuary.

BETHANY'S Lutheran Women in Mission's new program "LWML Mailbox Member Program" is a way for any lady in our congregation to be a part of LWML who wishes to participate but is not able to attend our regular monthly meetings for any reason. If you are interested in finding out more about this program, you can reach Jeanetta Bolin, our program coordinator, by leaving her a message at (316) 207-2023. She will be happy to discuss this with you in further detail. Our next regular meeting is on May 8th in the Library at 4:00 PM. Our meeting is open to all ladies of the congregation, where we meet to hear about any business items upcoming on the district, zone and national level, join together for Bible Study from the current LWML Quarterly and enjoy fellowship with each other.

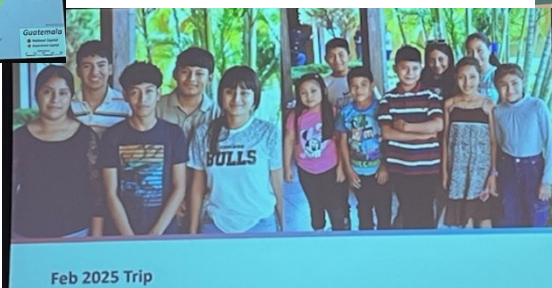

OUR EYEGLASS CHEST is once again empty. If you happen to have any eyeglasses, sunglasses or soft glass cases you no longer use, please drop them in the chest to help with our mission project as we continue to assist those in need. A mission trip is planned for December by Holy Cross Wichita, with eyeglasses being collected to be taken on this trip.

THE NATIONAL LWML BIENNIAL CONVENTION is fast approaching. It will be held in Omaha, Nebraska June 26-29. Ruth Valdez has been selected to be the voting delegate to represent the Wichita Zone at the convention. She will help to nominate the incoming National LWML leaders who will serve for the next two years. Ruth is asking for Prayers as she helps to make these decisions.

OUR QUILTING LADIES have been hard at work, meeting each Tuesday mornings at 10:00 am, and again on Saturday mornings from 9:00 am until noon in the quilting room at the end of the back hallway to assemble quilts and other kits for Lutheran World Relief. 93 quilts have been completed since October. Come and join us. They feature a "Quilt of the Month" at the back of the Sanctuary. If you are interested in purchasing this chosen quilt, speak to Amy Salazar or Jenny Colby. AJ will be announcing the chosen quilt during a church service.

7 attended the Spring Event/Prayer service at Holy Cross on April 5th. There was a presentation of their ministry with a school in Guatemala.

### Book of the Month: **The Magdeburg Confession**

In 1550, imperial forces besieged the German town of Magdeburg, seeking to reestablish the Catholic faith following the Lutheran losses in the Schmalkaldic war. In

response, Magdeburg's pastors and theologians wrote the small treatise on Justified resistance to tyrannical power known as the Magdeburg Confession. Discover a nuanced, Christian approach to a resisting the government when faithfulness to true religion is jeopardized - an invaluable study for anyone. This new translation impresses upon us the importance of

scriptural doctrine; those who hold authoritative offices have the duty and the joy of advocating for what is good and right, what supports and extends the Gospel.
